

## **LWSRA Board Report**

Highlights from the December 17, 2019 Board Meeting include:

- Summer 2019 participation numbers – 23 Frankfort Square residents participated in 109 programs. Overall LWSRA participation was up by 44 individuals in 49 programs.
- Welcome to Angelo Garcia, longtime FSPD resident and employee, who was hired full-time as LWSRA's registrar.
- Risk management updates as staff progress through the newly revised 2019 PDRMA Loss Control Review.
- Eleven athletes are preparing for the first meet of the Special Olympics swimming season.
- Adapted social program participants enjoyed a "Friendsgiving" by cooking cranberry turkey sliders and chocolate chip cookies.

The Drama Kings and Queens performed "A Little Bit of This and That," featuring favorites from Pixar and Camp Rock. It is clear that staff worked really hard to prepare a story and dialogue for this unique performance, ensuring the performers would be successful. The gym was filled on both Friday and Saturday evenings with enthusiastic crowds exceeding 300. Performers sang, danced, and each individual had the opportunity to offer personal comments to the audience at the end. Congratulations to the many talented performers and staff for a fantastic show!
